Inno Setup - Características

- ▶ Soporta todas las versiones de Windows.
- ▶ Permite realizar instalaciones de 64-bits.
- ▶ Puede configurarse el tipo de instalación a realizar (Full, Minimal, Custom)
- ▶ Se pueden correr otros programas antes, durante y después de la instalación.
- ▶ Soporte para instalaciones en distintos lenguajes.
- ▶ Soporte para instalaciones con clave y encriptadas.
- ▶ Soporte para instalación y desinstalación mediante firma digital.
- ▶ Instala Unicode (Windows 2000/XP o posterior)

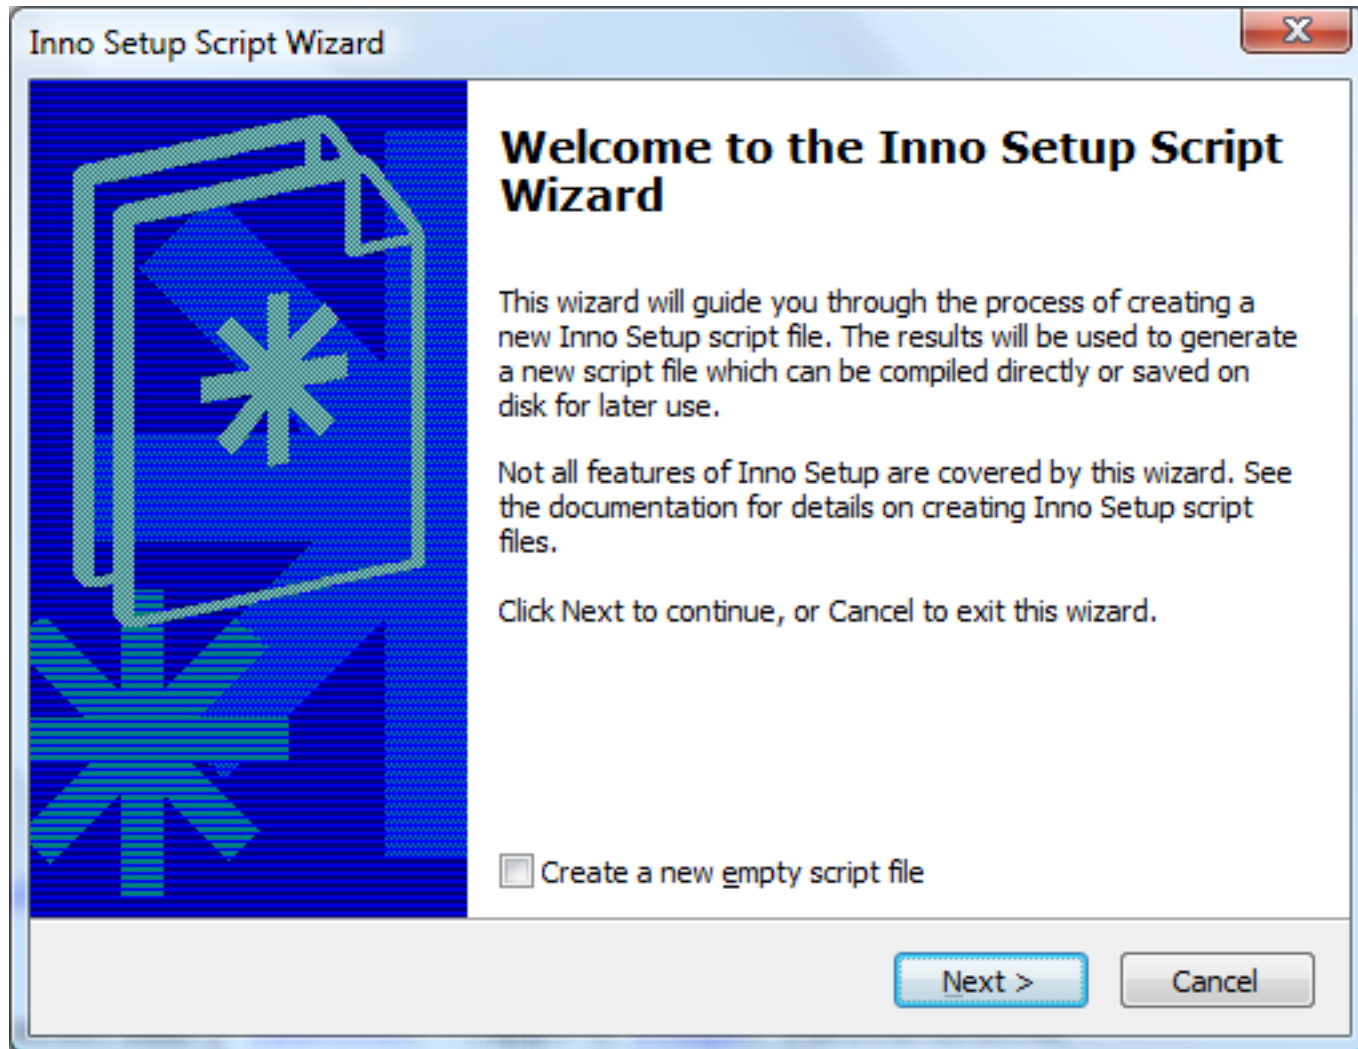

Generando un instalador ...

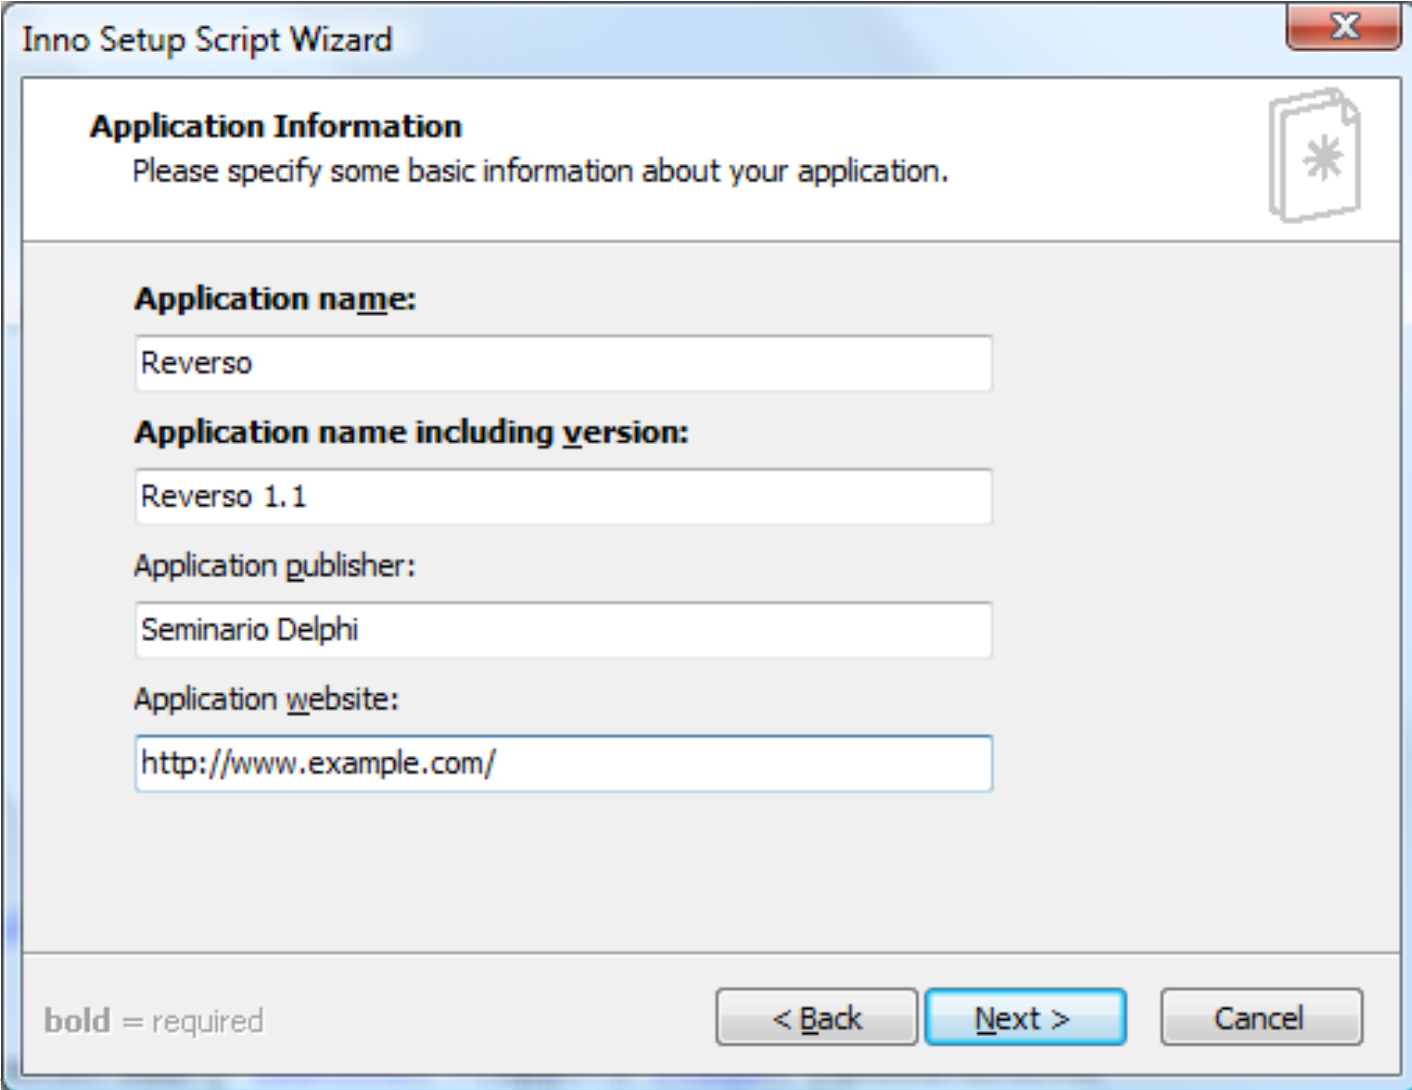

- Usaremos el wizard que viene con el Inno Setup

Wizard

Datos de la aplicación

The image shows a screenshot of the 'Inno Setup Script Wizard' dialog box, specifically the 'Application Information' step. The window has a title bar with the text 'Inno Setup Script Wizard' and a close button (X). The main area is titled 'Application Information' with a subtitle 'Please specify some basic information about your application.' and a document icon with a star. There are four input fields: 'Application name' (containing 'Reverso'), 'Application name including version' (containing 'Reverso 1.1'), 'Application publisher' (containing 'Seminario Delphi'), and 'Application website' (containing 'http://www.example.com/'). The 'Application name' and 'Application name including version' fields are bolded. At the bottom, there is a legend 'bold = required' and three buttons: '< Back', 'Next >', and 'Cancel'.

< Back **Next >** Cancel

Carpeta de la aplicación

The screenshot shows the 'Application Folder' step of the Inno Setup Script Wizard. The window title is 'Inno Setup Script Wizard'. The main heading is 'Application Folder' with a sub-instruction: 'Please specify folder information about your application.' There is a folder icon with a star in the top right corner. The 'Application destination base folder:' section has a dropdown menu set to 'Program Files folder' and an empty text box below it. The 'Application folder name:' section has a text box containing 'Reverso'. Below this are two checkboxes: 'Allow user to change the application folder' (checked) and 'The application doesn't need a folder' (unchecked). At the bottom left, it says 'bold = required'. At the bottom right are three buttons: '< Back', 'Next >', and 'Cancel'.

Licencia y Documentación

The image shows a screenshot of the 'Inno Setup Script Wizard' window, specifically the 'Application Documentation' step. The window has a standard Windows XP-style title bar with the text 'Inno Setup Script Wizard' and a close button. The main area is titled 'Application Documentation' and contains the instruction: 'Please specify which documentation files should be shown by Setup during installation.' To the right of this text is a small icon of a document with a star. Below the instruction, there are three sections, each with a label and a text input field followed by a 'Browse...' button:

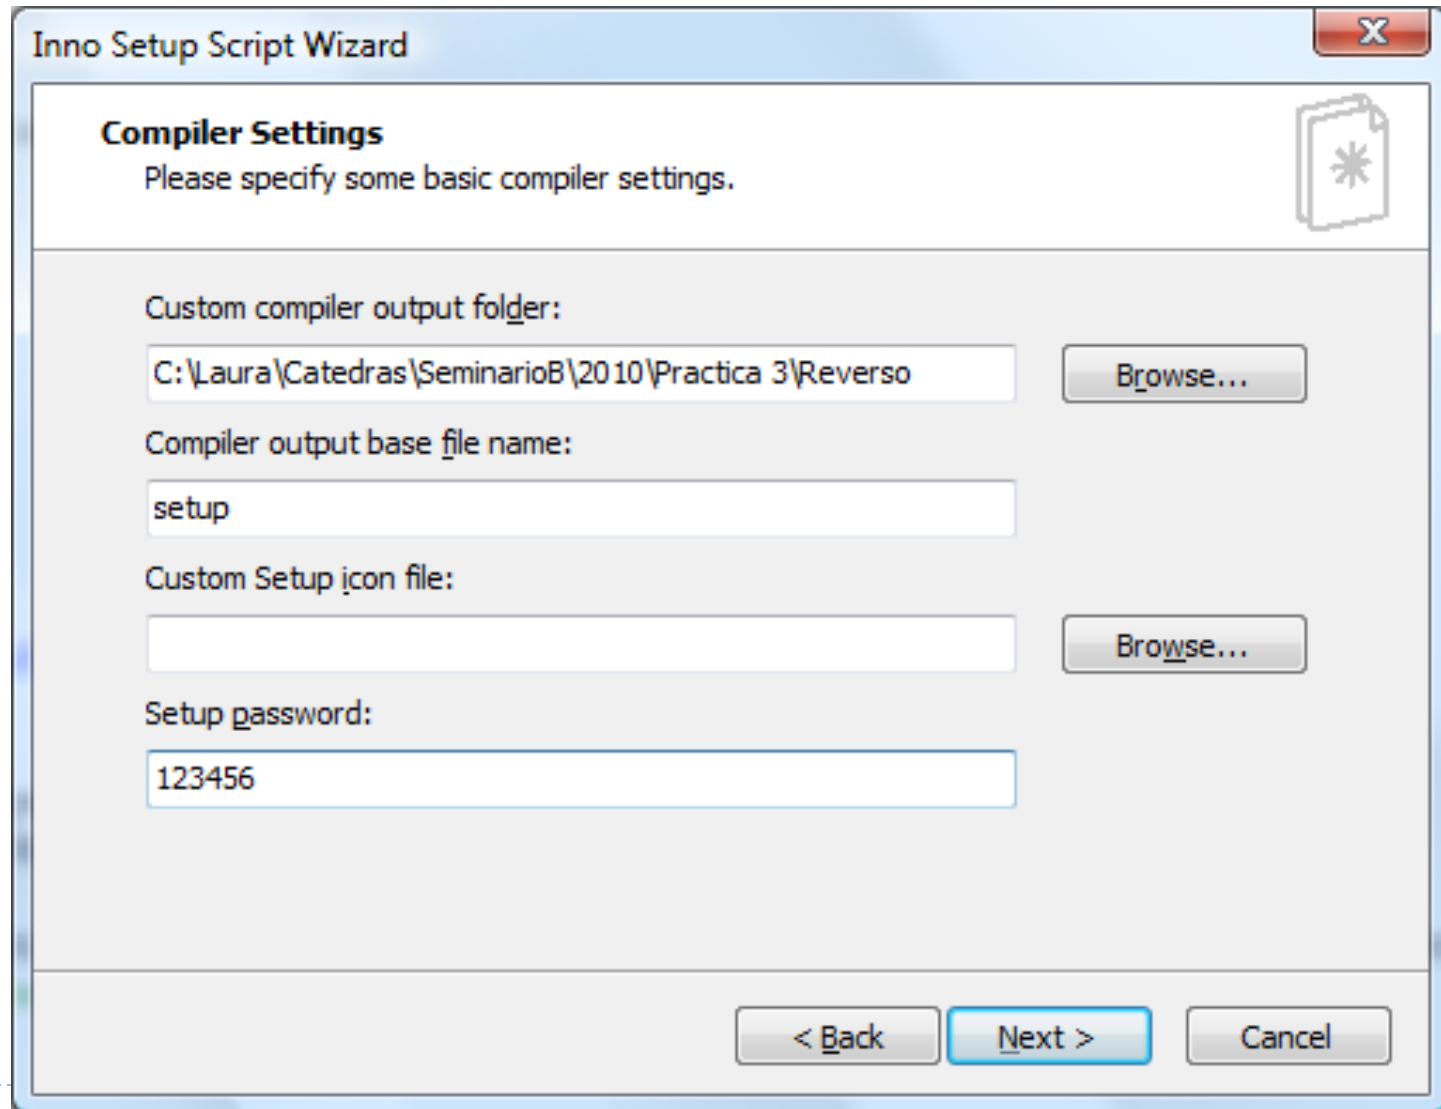

- License file:** The text input field contains the path 'ura\Catedras\SeminarioB\2010\Practica 3\Reverso\Licencia.txt'.
- Information file shown before installation:** The text input field is empty.
- Information file shown after installation:** The text input field is empty.

At the bottom of the window, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a blue border.

Idioma

Datos para el compilador

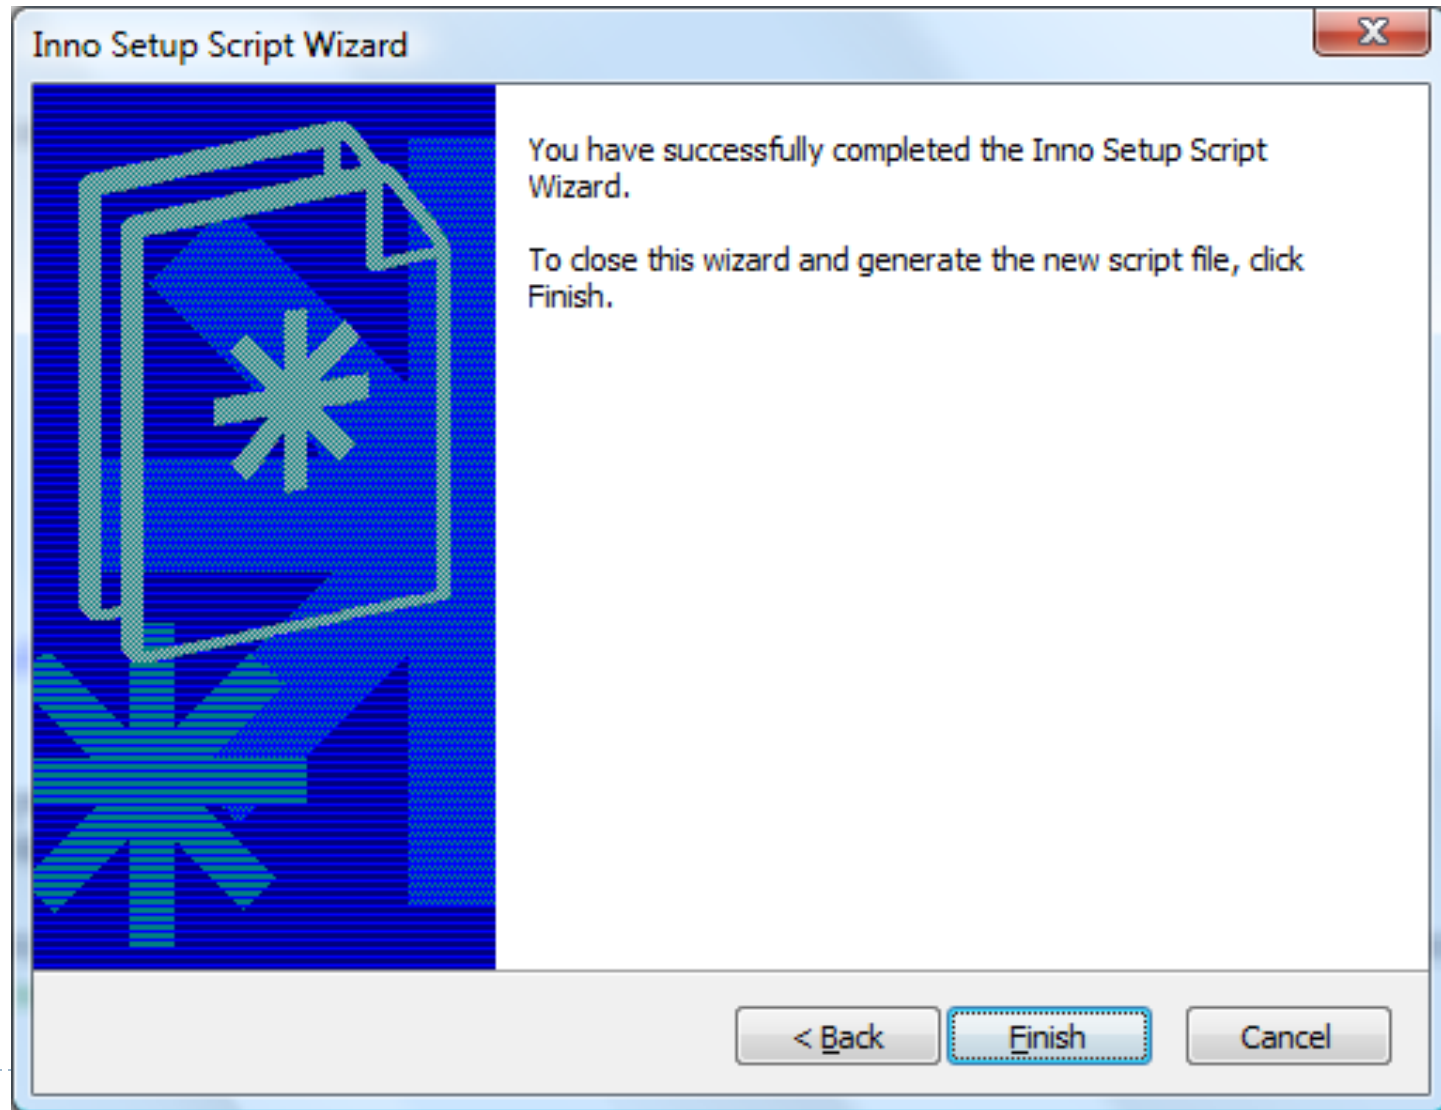

The image shows a screenshot of the 'Inno Setup Script Wizard' window, specifically the 'Compiler Settings' page. The window has a standard Windows XP-style title bar with the text 'Inno Setup Script Wizard' and a close button. The main content area is titled 'Compiler Settings' and includes the instruction 'Please specify some basic compiler settings.' with a document icon. There are four input fields with corresponding labels and buttons:

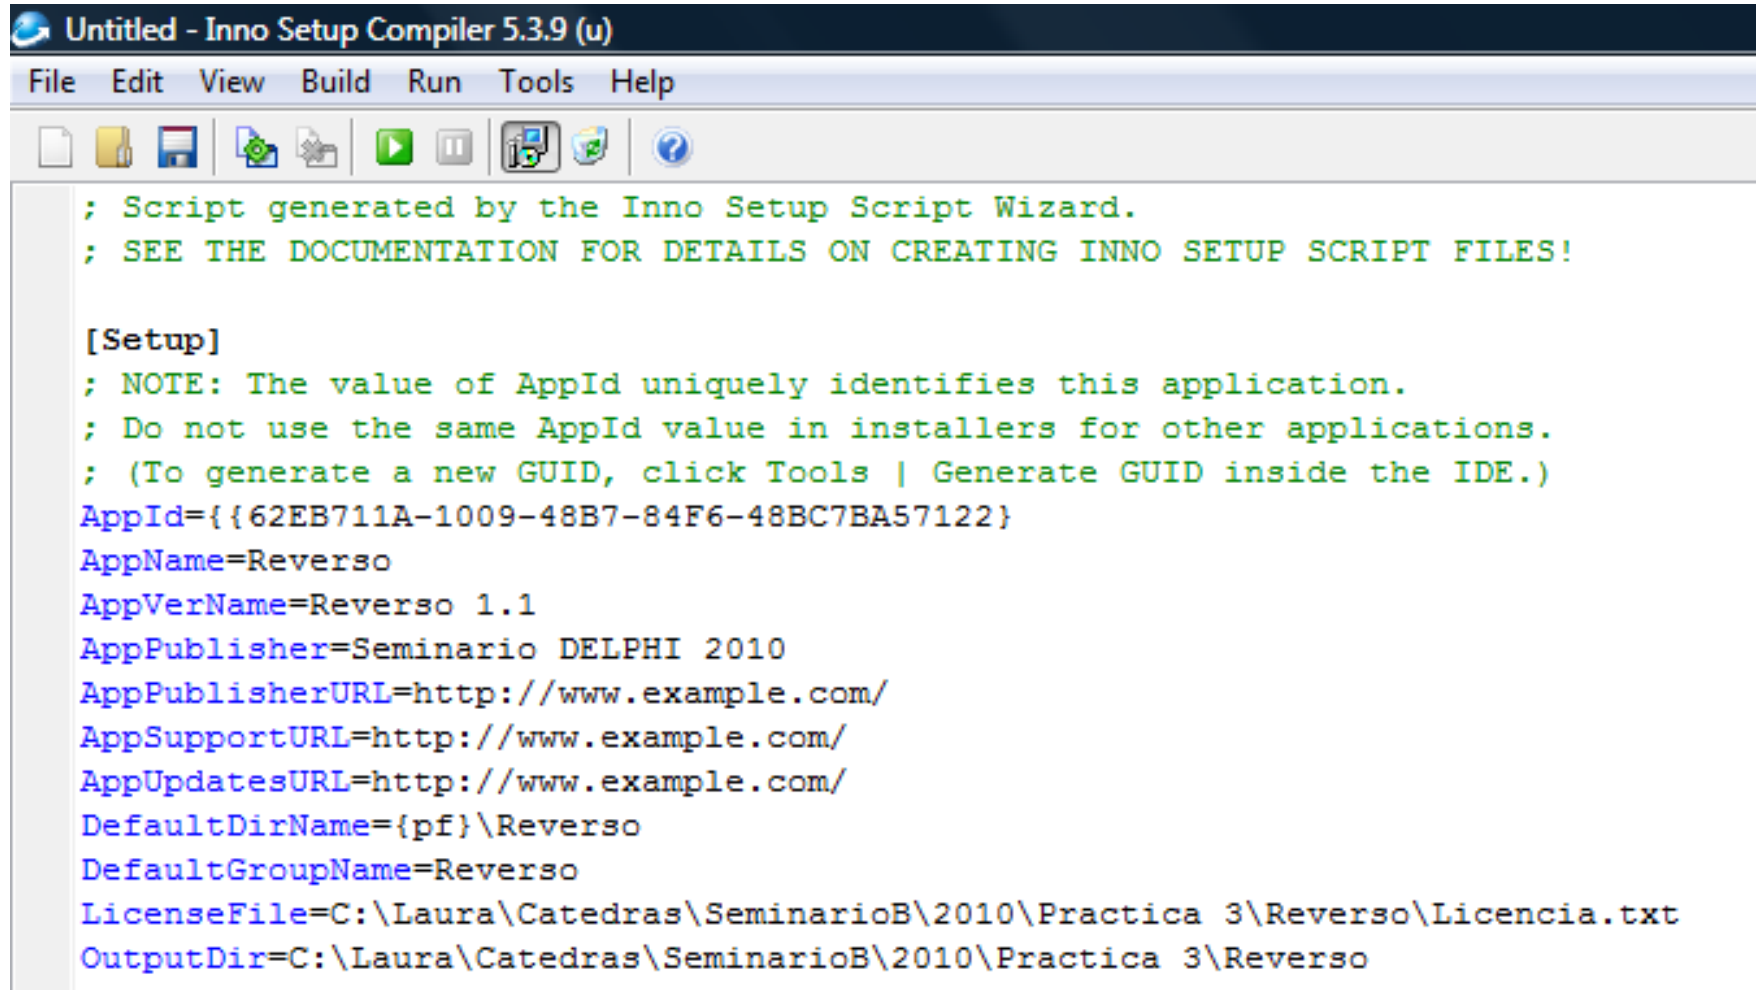

- Custom compiler output folder:** The text box contains 'C:\Laura\Catedras\SeminarioB\2010\Practica 3\Reverso'. To its right is a 'Browse...' button.
- Compiler output base file name:** The text box contains 'setup'.
- Custom Setup icon file:** The text box is empty. To its right is a 'Browse...' button.
- Setup password:** The text box contains '123456'.

At the bottom of the window, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a blue border.

Terminado

Script generado

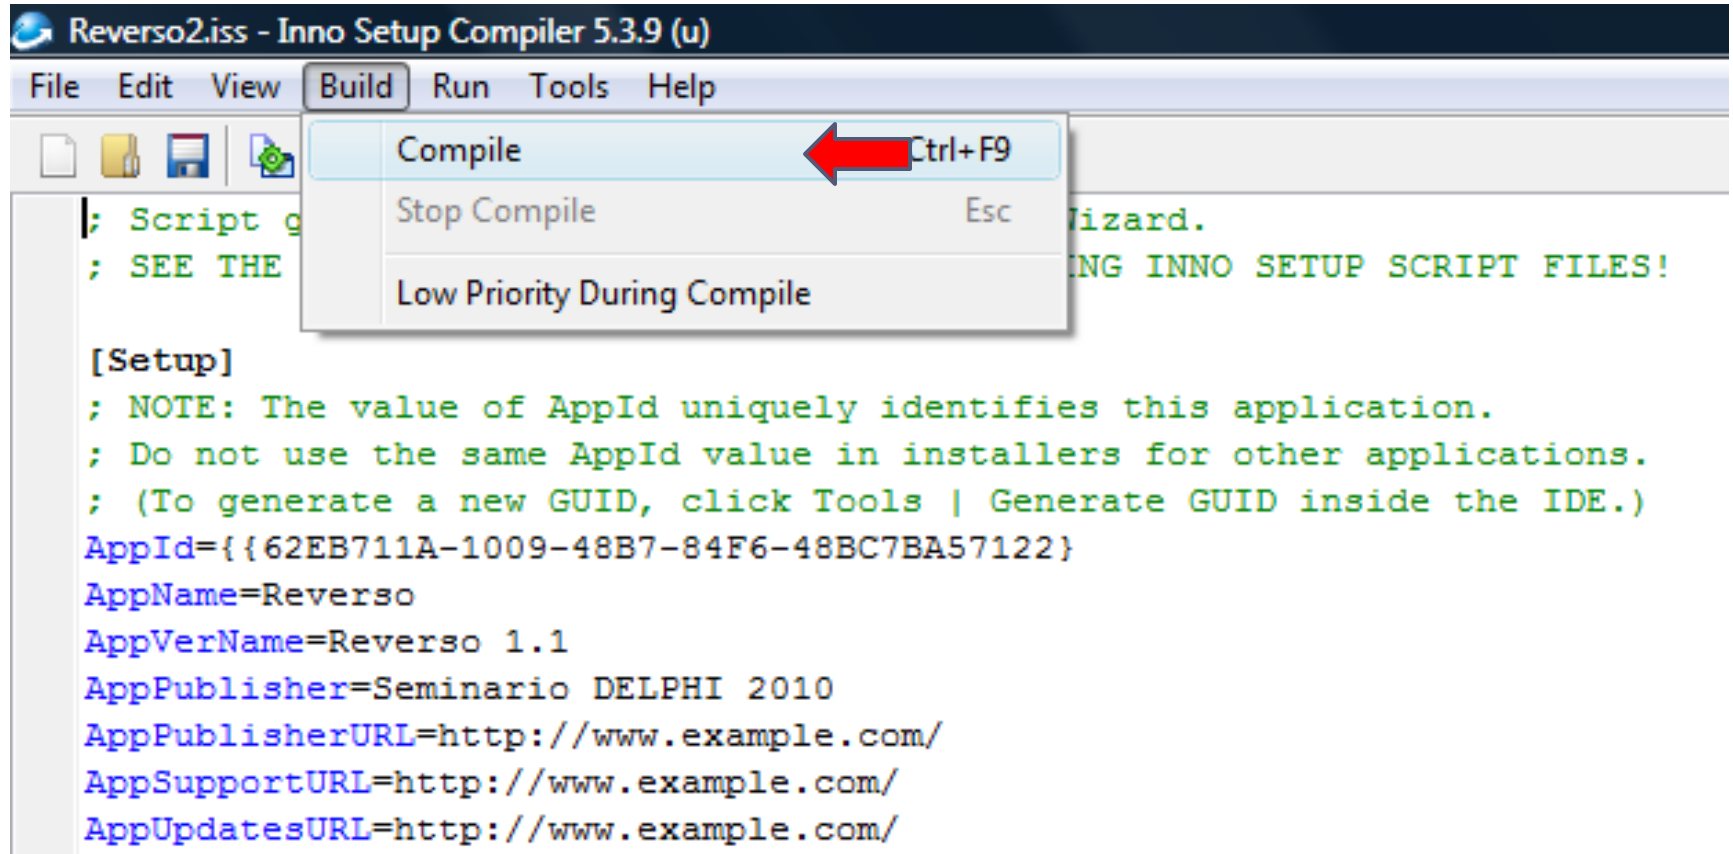

The screenshot shows the Inno Setup Compiler 5.3.9 (u) window. The title bar reads "Untitled - Inno Setup Compiler 5.3.9 (u)". The menu bar includes "File", "Edit", "View", "Build", "Run", "Tools", and "Help". The toolbar contains icons for opening, saving, undo, redo, running, and other functions. The main text area displays the following script:
